Events

Our events include a wide range of activities. We do not provide only information, but we are the organizers of our own events. For international student we organize Welcome Day for International Degree Students, guided tours, movie nights where we screen the masterpieces of Czech cinematography with English subtitles, and other events. We offer what is not available at your faculties.

Not all of our events are organized for international students. The list of events offered in English is listed on the left side.

In addition, for Czech-speaking students we organize:
- Orientation week for first-year students
- Na Karlovku Online
- Life-long Learning Day
- Career Day
- Alumni events
- Garden festival
- Advent at Charles University
- St Stephen Day alumni meetings
- Presentation of the university at the study fairs
- Seminars and lectures
