## About Aparthotel Svatý Vavřinec

Aparthotel Svatý Vavřinec is a 4\* design hotel with approximately 90 suites with fully equipped kitchens. Some suites also have a Finnish sauna, hot tub, or infrared sauna. You can choose from small studios, spacious one- or two-bedroom suites, or a four-bedroom suite with a hot tub and sauna. There are 10 conference rooms and halls at the hotel with a capacity of up to 300 people. You can also visit the Vavřinec restaurant, which is famous for its dishes with aged meat. This is prepared on an Italian X-Oven grill over mangrove wood charcoal.

Families with children will appreciate the game room for children and teenagers, which is equipped with the latest game consoles, air hockey, a mini cinema, darts, and table football. An outdoor children's playground and an area for playing pétanque are also available. There is also a grocery store in the building. Guests can thus decide whether to use the hotel restaurant or cook for themselves in their suite. The suites are furnished in four styles: Glamour, Scandinavian, Modern, or Krkonoše. The underground garages are equipped with charging stations for electric cars.
