# International středa, mezinárodní Wednesday

---

Would you like to meet Czech students from across all of our faculties? Maybe you have a [Buddy](#) already or you just want to meet new people.

Then, this **regular series of events** is just for you, or for all our students - **Czech and international**. As the name suggests, informal meetings will be held **every week** throughout the semester **at the Hybernská Campus**, always on the **Wednesday late afternoons**.

**In Pilsen, events will be held monthly at the Dominik Café.** See the calendar below.

So come along for a chat. You'll meet your local and international classmates and together enjoy the accompanying programme, such as pub quizzes, language cafés, interesting talks, swaps and so much more.

This initiative is led by our **student ambassadors and associations** in collaboration with the University and Studentská Hybernská.
