## **Alza benefit**

The new employee benefit – **ALZA.CZ**

Dear Colleagues,

We would like to present a new **non-public** employee benefit.

Through its e-shop, Alza offers more than **1,500,000** products in hundreds of categories, such as mobile phones, computers, game consoles, large and small household appliances, as well as goods for the home, workshop, garden, sport, outdoor, auto-moto, or toys, household supplies, perfume, books, food, etc.

Alza also offers a number of services, including "**Do půlnoci objednáš, ráno v AlzaBoxu máš**" (next-day delivery to AlzaBox pick-up points), extended warranty, return of goods within 60 days, the 1/3 offer, and various types of insurance, as well as the installation of built-in appliances, custom PC assembly, Alza NEO, etc.

### **What exactly does the Alza Benefit programme offer?**

- **lower prices – better prices for products in all categories**
- for some products, additional quantity discounts
- **opportunity to try out the service with free delivery to pick-up points** AlzaPlus + for 3 months for 1 CZK (then 299 CZK/year)
- **exclusive offers and competitions for Alza Benefit members only**

And now for one thing that's no less **important**: the benefit and access to it are **private**, so please **do not share or disclose your activation code or the activation process**.  
**Violation** of this condition and disclosure of an activation code will lead to its cancellation.  
The number of code redemptions is set according to the number of employees.

### **How to activate the programme:**

- go to [www.alza.cz/benefit](http://www.alza.cz/benefit)
- log in to your personal standard account or register as a new customer
- after logging in to [www.alza.cz/benefit](http://www.alza.cz/benefit) request the activation of Alza Benefit by entering and confirming the activation code
- confirmation of **successful activation** of Alza Benefit is sent to your e-mail and after a few minutes, you can buy at Benefit prices
- don't forget to also **try out** free delivery to pick-up points with a discounted purchase from **AlzaPlus+** for 3 months for 1 CZK

We understand that everyone will be interested in the Benefit price and discount, and according to Alza's representatives, we can buy **most products at reduced prices**, but not all products always have a significant discount.

You can **pick up** goods purchased from Alza through its wide network of more than 20,000 pick-up points.
