Advent excursion to NUREMBERG

The Nuremberg Christmas market is 400 years old and one of the most popular in Europe. It first took place back in 1628. More than 200 stands in the city centre, with trees full of Christmas decorations and lights and, last but not least, half-timbered houses and the atmosphere of this ancient city ensure a true Christmas atmosphere. It is said that the most beautiful Christmas decorations can be bought at the market, where only traditional goods made of classic materials such as glass, wood, textiles, etc. can be sold.
