Student Clubs as the Heart of University Life

[More About Student Clubs](#) [Financial Support](#)

Connect with a Buddy

Moving to a new country can be exciting, but also challenging. Through the **Buddy Programme**, you can connect with a local student who can help you settle into your new life at Charles University and in Czechia. Your buddy can assist you with **orientation**, answer **practical questions**, and introduce you to **local culture**, **student life**, and **everyday customs**.

Discover a Place to Study

Meet other students at the **Celetná Study Club**. Located in the basement of **Celetná 20**, it's the perfect place to study together or host educational events.

Volunteering Brings Us Together

Get involved in **volunteering** at Charles University! We can connect you with organisations where you can make a difference, and we'd also love to see you at our one-off volunteering events.
