
About Us

CU Point is here for all **applicants, students, employees, and graduates** of Charles University.

We are the right place to find answers to your questions, get your student/employee ID card and find support at the Centrum Carolina if you find yourself in a difficult life situation.

We make sure that your studies run smoothly, you feel comfortable in your job and, in the case of graduates, always have somewhere to return to.

We are behind dozens of successful seminars and events a year - whether it's developing theoretical knowledge or strengthening physical skills. Simply, you'll never get bored with us!

Most of CU Point's services can be found in our premises in **Celetná 13, Prague 1**, but we have a few exceptions. You can find out when and where you can reach us here.
